

Welcome to

32nd Meeting

Advances in Vascular Imaging and Diagnosis

AVID SYMPOSIUM

AVIDsymposium has been a place for vascular technology, sonography, medicine, nursing and surgery professionals to:

- Connect
- Share best practices
- Pioneer solutions to the challenges facing the vascular community

AVID SYMPOSIUM

- Multi-disciplinary faculty all recognized experts in vascular ultrasound diagnosis
- Comprehensive program (spans the SPECTRUM of Vascular Ultrasound)
- From fundamental building blocks and then beyond core concepts to provide you a balanced representation of...

TODAY'S VASCULAR LAB!

AVID SYMPOSIUM

- 10 sessions, 35 lectures, 6 technical skills labs, Interpreting With The Masters
 - Additional venous topics Sessions 122/123
